This warranty covers the cost of repair at a GM Dealership or Independent Body Shop including parts and labor regardless of where the panel was originally installed. The warranty begins on the date of purchase shown below and shall remain in effect for as long as the named purchaser owns the vehicle on which the panel was installed.

This Warranty Does Not Cover:
• Cosmetic or surface corrosion resulting from stone chips, scratches or other causes.

• Damage from the environment, airborne fallout (chemicals, acid rain, etc.) solvents or cleaning and polishing materials.
• Loss of time or use, inconvenience or other economic loss.
• Panels installed on vehicles registered and operated outside of the United States and Canada.

The selling Dealer or any other GM Dealer may perform repairs or replacements qualifying under this warranty. Repairs by an Independent Body Shop must be authorized by a GM Dealer.
